

1479 Greenpeace FOIA

Claudia Meza-Cuadra to: Jeanne Briskin

01/24/2013 04:30 PM

Hi Jeanne,

I finished going through and indexing the set of emails (yours and Ramona's) that Jose compiled for the first Greenpeace FOIA.

Should I schedule a meeting next week for you and I to go through them? Should I invite Pooja?

We also have almost all of the documents people have identified as responsive , along with indexes and determinations of releasability . I am only waiting on a couple of emails from Mike Overbay .

Thanks,

Claudia
